EXPLANATORY NOTES TO THE CLAIM DOCUMENTS

1. Affidavit

In the event of the claim being based on a promissory note, cheque, or other bill of exchange, the relevant affidavit will be required to be obtained from our offices.

If security is being claimed under (6) of the affidavit, the nature and particulars of the security must be stated, and the amount at which the creditor values such security must be inserted. A creditor who relies upon his security for the satisfaction of his claim should state that fact on the affidavit above the signature of the declarant.

A claim based on a mortgage notarial bond or hire purchase agreement requires the original bond or agreement to be attached to the claim together with a statement reflecting the calculation of the amount due.

The affidavit must be attested to before a Commissioner of Oaths who must insert their full name and business address as well as his designation. The omission of such detail may result in the claim being rejected for technical reasons.

2. Statement of Account

A statement of account is required to be completed on schedules "A" and "B attached, by all creditors who wish to prove a claim for goods or services supplied on an open account. If no payments were received or credits given, state "NIL" under "B".

3. Resolution

Where a company proves a claim the affidavit and Power of Attorney may be signed by a director or any other person properly authorised to do so. The resolution need only be completed if the said documents are not signed by a director. Where the company has already passed such a resolution, this must be annexed to the claim document and the attached resolutions may be ignored.
